

Timbercreekguitars.com is a website for selling acoustic guitars on a consignment basis. The listing fee for this website is \$75.00 for each instrument, which is a non-refundable fee, to be paid up front before the guitar is listed on the web site. The \$75.00 fee covers the cost of the photography, new strings, and a recording of each guitar to be listed on the website.

A builder stats form is to be filled out by the seller of each instrument, which is included on the website along with pictures of each guitar.

Each instrument will be listed for a period of 60 days or until the guitar is sold. If the guitar is not sold in the 60 day period it may be listed again for another 60 days with no charge repeatedly until the guitar sells. After the first 60 days the owner may remove the guitar from the website. Once a guitar is removed from the website another \$75.00 fee will be charged to list it again.

The guitar remains in the possession of Timbercreekguitars.com as long as the guitar is listed on the website. The commission for each instrument is 15% for any instrument up to \$10,000, and 12% for any instrument \$10,000 and over to be taken out of the proceeds once the guitar is sold.

There is a 72 hour customer satisfaction period where a customer may return the instrument with written notice to the website, or by calling the # on the website. If the customer writes a check, the check will be held for 10 days to clear. After the 72 hour period, or after the 10 day period for the check to clear, the proceeds from the sale will be mailed to the seller minus the commission fees listed.

The guitars sold will be shipped by Timbercreekguitars.com. Any seller outside the Portland OR area will pay the shipping charges, plus any insurance fees to have it listed on the web site. If the seller outside the Portland OR area removes the guitar from the web site after the 60 day period, they will pay the shipping charges to have the guitar shipped back to them. The buyer pays the shipping charges plus any insurance fees to have a guitar shipped to them. Listing your guitar on Timbercreekguitars.com does not guarantee that it will be sold. If the guitar does not sell, the selling price listed may be changed by the seller only. The price may be changed at any time by the seller at no charge.

All guitars will be held by Timbercreekguitars.com at 25115 S. Dianne Dr Beaver creek OR 97004.  
I have read and understand the consignment agreement.
